Letter of Appreciation

We appreciate the service provided at Onyx building by Shrikunj Realty.

We had licensed premises admeasuring approx. 40,000 sq ft in the building and were operating there from 1st September 2010 to 31st May 2014 .

During this time we received fantastic support from the owners and the building management team. Not only was the building infrastructure and design world-class but also the service was excellent and we highly appreciate this.

Safety, security and comfort for our company and our employees was excellent. Your team was always available to support us for all our requests.

We expected to stay much longer at Onyx, but due to our business decision we had to move out. However, we shall miss something every day.

Thank you once again the whole team at Onyx.
